Spotlight on Service Program Guide | November 2017

Hello, CNH Bees!

We hope that you had a great time Trick-or-Treating (for UNICEF), but now we're kicking into the Fall season!

While you serve your community, remember to pay your dues so that you get credit for all of the hard work you put into your service!

See you next month!

In the spirit of service,

Background Information

Kiwanis International brings the world together, one community at a time. Today, we stand with more than 600,000 members in more than 80 countries from Kiwanis to Key Club, to Circle K and beyond. Each community has different needs, and Kiwanis empowers members to pursue creative ways to serve the needs of children through local projects and fundraising. Kiwanis hosts nearly 150,000 service projects each year. Use the month of November to give thanks for the wonderful acts done through the Kiwanis Family.
