

Pediatric Trauma Program

Spotlight on Service Program Guide | September 2017

Hello CNH!

We hope that you've been having a wonderful summer so far! Please refer to this guide for our next Spotlight on Service--Pediatric Trauma Program! It's an organization that we all know so well. Additionally, one club is featured each month in the District Newsletter for hosting an outstanding service project in honor of the theme. The form to submit your service event can be found under the "Spotlight on Service Program" page under the "Projects" tab on the CNH Cyberkey. Happy serving, and we'll see you next month!

In the spirit of service,
Service Projects Committee

TABLE OF CONTENTS

BACKGROUND

Recognizing the serious need for education and training in the areas of pediatric trauma and injury prevention, the Kiwanis Cal-Ne-Ha Foundation established the Pediatric Trauma Program (PTP) in 1994. The mission of the program is simple: develop local projects that will reduce the number of children in our three-state district who are killed or injured.

SOCKS FOR KIDS

Buy socks for kids and make decorations using puffy paint or hot glue on the bottom of the socks! This will prevent kids from slipping and falling on slippery floors, and can be extended into another service project where the socks are passed out to kids in hospitals.

MATERIALS:

- Socks
- Puffy paint

STEP BY STEP DIRECTIONS:

1. Find a relatively large place to do this project.
2. Pass out pairs of socks and provide puffy paint for everyone.
3. Have each person make simple designs at the bottom of the socks.
4. Be sure to lay them out and give enough time for them to dry.

PTP DOLLS

PTP dolls are used by doctors to show their patients what will be going on during their surgery. Not only is this service project easy and fun to do, it also helps countless children going through tough times.

MATERIALS:

- Fabric
- Pillow stuffing
- Sewing needles
- Scissors
- Thread

STEP BY STEP DIRECTIONS:

1. Set a date and time to hold the service event.
2. Gather all the materials through member/Kiwanis donations
3. Have members trace an outline of a doll on the fabric and cut two pieces using that stencil.
4. Sew the 2 pieces together around the perimeter, but be sure to leave space somewhere so you can stuff the fabric.
5. Invert the doll.
6. Stuff the fabric and make sure the doll is firm.

POSTERS FOR PLAYGROUNDS

Help advocate for children's safety by creating posters for playground safety! These posters will consist of general rules for children to follow while on the playground and will be posted on the walls of your local elementary school.

MATERIALS:

- Poster paper
- Colored pencils
- Paint
- Tape
- Markers

STEP BY STEP DIRECTIONS:

1. Contact a local elementary school to see if they are okay with having posters hung up.
2. Schedule a day where members can bring materials for postermaking and start designing!
3. Be sure to add short and simple tips that children can read.
4. Head over to the school and use tape to adhere posters. Hang them up where children tend to play!
