# WHAT'S POPPIN CNH!

Happy new year and **welcome to 2024!** I hope all of you are having an amazing holiday break with your loved ones. I wish you all **prosperity** and **good luck** in the year that lays ahead of us! Let's be sure to finish this term off with a bang.

With not much time remaining in the term to do so, it is *imperative* that each and every single one of you **PAY YOUR DUES!!** Our district currently stands at 19,943 members out of our 32,000 goal, meaning we are **62% of the way there.** With still four months left in the term, this is very feasible for us to accomplish, so be sure to encourage your friends to pay their dues as well.

Another exciting opportunity to be on the lookout for is **club elections and conclave!** If you are looking to seek higher office, inquire with your club president and respective Lt. Governor to see what opportunities you can pursue and how. Whether it's serving on the club board, contributing to the LTG election process by signing up as a delegate, or even running for Lt. Governor, there are tons of amazing options Key Club has to offer in order to help **strengthen your leadership skills!**

Well that's all from me! See you next month CNH and if you ever have any questions, comments or concerns don't hesitate to reach out.

Serving to **NEW** Horizons,

# ALOHA CNH!

**Happy New Year Busy Bees!** I could not have asked for a better district to end this past wonderful year with, and **wish you all success in 2024!** While the term may feel like it is almost over, it is time to sprint towards the finish line and end strong.

There are still many ways to increase your involvement in Key Club, the main one being through **service events!** Projects are amazing opportunities to improve leadership, build character, and showcase caring towards your homes, schools and communities! The CNH District has served a total of **224,326 hours**, which is approximately **56%** of our goal of 400,000 service hours! Help us reach this goal before the end of the term by **engaging in service opportunities** and taking the initiative to **plan events for your club!**

Even though Fall Rally Season has passed, there is an even bigger event to look forward to: **District Convention!** DCON 2024 is going to be a magical event, taking place in **Sacramento, California** from **April 12-24th, 2024.** Learn about various Key Club topics in **educational workshops**, participate in **voting for District Executives**, and show off your spirit during several **general sessions!** In addition, there will be a recognition session where those who have won contests, achieved levels of MRP, or were granted CNH Key Club scholarships will be **recognized on-stage!** It is an amazing opportunity for every grade level to attend, and I highly encourage you to join us to celebrate the **enchanted year of service!**

If you ever have any questions, comments, or concerns, please feel free to contact me! Have a **joyful January CNH!**

# BUZZ BUZZ CNH!

**HAPPY NEW YEAR!** 2024 could be just 4 you! I hope you all have had a wonderful time **celebrating the holidays** and this upcoming year. As we hit the reset button once again, it is time to **set goals for ourselves**. Whether it's big or small, have something you want to achieve by the end of the year because it will give you a purpose and direction.

Though we are inching closer to the end of the term, it is not over yet! As of now, we have raised a total of **\$158,248.31 for PTP/YES! Initiative** which is **79.1%** of the way to our goal. Furthermore, if your club is currently not dues paid, please do not hesitate to reach out and ask for assistance! Currently, your club is **delinquent** if you are not dues paid, and by the February 1st deadline, your club will be suspended. As we round out the last few months, let's give it our all and try to reach 100% of our fundraising and membership goal!

With the term nearly ending, we have quite a few exciting events in store! **Conclave** should be happening very soon, so your division is about to have a baby LTG-elect. Make sure to welcome them with open arms as they learn the ropes of the new position they are taking on! That being said, you should also be looking forward to **DCON 2024!** It is crucial to begin planning for DCON now because it takes time to **fundraise** and **ask for donations**. As always, if you have any questions, comments, or concerns, please do not hesitate to reach out!

**What's Poppin CNH!!!** My name is Brianna Ton and I proudly serve as the Division 36 East Lieutenant Governor :) I am currently a senior and a proud Stay so I congratulate everyone for finishing their college applications! When I am not doing Key Club you might see me at a Speech and Debate tournament or buried in a good book. This term has been a rollercoaster so far with Region 4 with more ups than downs but I am so glad I stepped on this ride with them. I have gotten the opportunity to meet and work with amazing people that I can call good friends. There were some rough moments this term but we powered through together and I am grateful to have them by my side and for the chance to make new connections. With this term, I am looking forward to District Convention and the bittersweet Conclave. We started this journey together and I know we will end it well and usher in a great new term! **Aloha!** My name is TC Fuel and I proudly serve the Prideful Pandas of Division 28 East as their Lieutenant Governor. A fun fact about me is that I have been playing guitar for over a year, and am learning how to play the drums. Serving Region 5 this year has been amazing and really given me perspective on how big the region truly is. From all of the training conferences throughout the year to the joint DCMs, Region 5 has shown up with spirit and service and made a lasting impact on the community. As we are past all of the training conferences within the region, I am looking forward to Region 5's DCON attendance. They showed up last year, and I hope to see even more of the region there this year to represent Las Vegas. With the support of the entire valley, we can be one of the largest regions at DCON this year.

**What's Chillin' CNH!** My name is Irene Kim, and I proudly serve the Division 3 North Polar Bears as their Lieutenant Governor! Fun fact about me... my cousin played as Clifford in Season 4, Episode 9, "Driving Miss Crazy," on Jessie. I am so honored to be in Region 7. I love and cherish all of our moments together—some goofy while others tense. Region 7 consists of 7 Lieutenant Governors, one district editor, and two wonderful region advisors! I always look forward to events where we can reconnect (and indulge in KBBQ afterward). One particular event I'm eager for is our first ever region Night Market! If I had to choose one word to describe Region 7, it would be "family."

A fun fact about me is that I'm obsessed with the board game "Word Hunt" and have played it many times. My region consists of seven Lieutenant Governors, our DVME, and two wonderful region advisors. Being already two-thirds of the way done with my term, I'm grateful to have gone through this experience with such an incredible group of leaders and friends that make me feel like I can always fall back on whenever I face obstacles, need advice, or just want to laugh with! I'm so excited for the rest of the term holds for us, and I will keep making memories. I can't wait as we are already electing our new leaders and our bond will continue even after the term ends. **MAJOR EMPHASIS**

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

## FREQUENTLY ASKED

### WHAT IS CONCLAVE?

Conclave is where your division gathers to **elect** the next **lieutenant governor** and **endorse any member running for a district executive or international position!** Here you will hear their speech and have the opportunity to ask caucus questions so you could further understand who your next leader is!

### WHO GETS TO VOTE? SHOULD I ATTEND?

The maximum of **two delegates from each club** gets to vote for the next lieutenant governor! Even if you aren't a delegate, **you should still attend conclave to see who your next leader is!** It is required that at least 50% of the division's club is present to have a valid conclave!

### BUZZ BUZZ CNH!

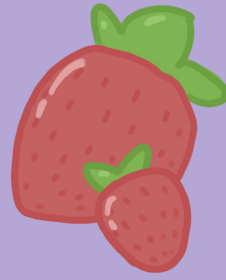

On the day of conclave I felt confident and calm because I knew that I did everything I could to prepare. However, when I went on stage I completely blanked after my first couple sentences and spoke from the heart to my members about my platform. My biggest advice to future candidates is to prepare yourself for the unexpected and know your platform like the back of your hand. Good Luck!

**Jamie Stukas, Division 8 LTG**

# CONCLAVE

## ASKED QUESTIONS

### WHAT IS A LITERATURE?

A literature is the **ONLY campaign material** candidates can have. It usually contains their acronym, goals, and a little more about themselves! Candidates should **NOT** be campaigning outside of conclave!

### WHAT IS THE DRESS CODE?

Dress code is **business casual for attendees** and business formal for candidate!

### WHERE CAN I FIND MORE INFO ABOUT ELECTIONS?

You can find it on our [CNH Cyberkey!](#)  
**Resources -> Policy & Elections**

### What's poppin' busy bees!

Before conclave, I've prepared my literature, wrote my speech, and memorized it. On the day of, I was so nervous but I saw so many members I knew which calmed me down. I spoke confidently and genuinely during caucus because I was I was prepared. As a past delegate, I would advise delegates to listen carefully and choose the best candidate to lead YOUR division.

## k-family friendsgiving

*kauai | d22m | r18*

On November 19, 2023, both Kapa'a and Kauai High School Key Club participated in this year's K-Family Friendsgiving, which took place in the Kauai High School Library. Prior to the event, Key Clubbers were tasked with bringing a dish, which ranged from chicken to gravy, mashed potatoes to salad, and even homemade pumpkin pie for all of the members to enjoy. The service project that took place involved every member to color and write two thank you cards for the Kauai Fire Department to show how grateful Key Club is for the hard work that they do. In the midst of all the eating and card making, members were able to socialize with whoever they were sitting next to, growing personal connections and relationships faster than ever before.

Looking back, I believe that this event was extremely successful! Everyone who attended had a great load of fun, and we encapsulated the Thanksgiving season not only through showing gratitude to the organizations in our community, but also by taking part in the joys of eating and bonding!

**Thank you for participating and be sure to submit December SOSP at [tinyurl.com/SubmitSOSP](https://tinyurl.com/SubmitSOSP) by January 5th, 6pm local time.**  
**Keep serving with lots of love!**

# connect-the-k's social

waiakea | d22m | r18

As a part of Key Club Week, Waiakea hosted a K-family social to build relations within our family. To plan for this event, we invited other East Hawaii Key Clubs to form a planning committee. Within the committee, we first determined the best date and time to hold it, then created a Google Form for people to RSVP. We divided the work evenly by having each club plan one to two events that would run for the same amount of time. We also agreed upon deadlines and added our plans onto a shared document where everyone had access to view the other club's events. Setting deadlines allowed for the timely completion of the planning and also allowed people to check up on the progress of others. Furthermore, it gave us enough time to revise events and discuss how the social would progress in terms of the event order. After the basic event planning and timeline was completed, Waiakea created a slideshow presentation that would be shared to all attendees outlining each activity and the itinerary. This event created a lot of traction as almost 70 people signed up to attend. Although the events went on for longer than expected, it was overall a successful social. K-Kids and Builder's Club members had the opportunity to meet Key Clubbers and Kiwanians and vice versa!

**empowering minds**

## INTRODUCTION

The CNH Governor's Project is a 2-year focus selected by the District Governor and Service Projects Committee. The 2023-2025 Governor's Project is "Empowering Minds, Building Futures" and focuses on youth mental health awareness and education.

Mental health is a growing topic of concern and one that needs to be properly addressed and discussed. Especially over the past few years, as a result of the pandemic, the mental health of youth has become a significant issue. Today's youth are faced with many stressors and pressures, and it is important to care for one's mental health in pursuit of mental wellness.

# PLAYGROUND CHALK ART

**Kelly Jung | Division 2 North,  
Albany High School**

On a Thursday after school, Key Clubbers from Albany and El Cerrito met up at Harding Elementary to draw chalk art around the playground. During the service, Key Clubbers drew beautiful Thanksgiving and fall themed drawings, while talking and bonding with each other. After a little over an hour, as it was getting dark, we took a picture together and started cleaning up. Overall, I am glad we held this event and I hope to do another one like this in the future!

## CARE PACKAGES

**Sophia Venable | Division 16 North,  
Valencia High School**

Valencia Key Club recently held a care package project event in partnership with Golden Valley Key Club! On Monday December 3, Key Clubbers gathered together at the Santa Anita Boys & Girls Club to make care packages for those in need. Students bought in socks, gloves, soap, toothpaste, non-perishable snacks, and even more items for their care packages. It was a very fun event that allowed Key Clubbers to make new friends while making a difference in the community. We're so excited that this event was successful and cannot wait to do more service projects like this one in the near future.

## FOOD FAIR

**Brandon Yan | Division 10 North,  
Marshall Fundamental**

On October 11th, Marshall Fundamental held a fundraiser during their school's food fair! They sold freshly shaved ice from a cabinet member's shaved ice machine, and they advertised four different flavors (blue raspberry, cherry, mango, and lime) to accompany it. In addition to that, customers had the option to customize their dessert by adding condensed milk. With the cabinet member working the stand, general members also volunteered to help with the booth! They assisted with serving, collecting payments and complying with customer's requests. Overall, it was a successful fundraiser and they even sold out! —

# PROJECT VETERAN CARE

**Gurpriya Gandham | Division 46 North, Enochs High School**

We are thrilled to announce the tremendous success of Enochs Key Club's Project Veteran Care. This meaningful project kicked off on Veterans Day, when our dedicated Key Club members gathered to create heartfelt thank you cards for veterans. It was incredibly moving to see the care and appreciation they poured into each card. Bolstered by the generous support of our sponsors at Kiwanis, who donated so much to our cause, we proceeded to wrap over 50 care packages for local veterans. Our Key Clubbers came together, devoting their time and effort to give back to those who have given so much for our community. The teamwork and compassion on display was inspirational. We will soon deliver these 50 thoughtfully assembled care packages to the Stanislaus Veteran Center, helping bring warmth, comfort and encouragement to veteran members of our community when they need it most.

## AT DECORATING

**Sophia Martinez | Division 23, AACT**

got to attend the Sparks Christmas Parade as a member. It was an amazing experience and I got to help with decorating the Kiwanis float, as well as handing out candy to the little kids. We got to work with the Spanish and Aktion club to decorate the float and pass out candy. It was so great to be working with other clubs and to be able to help while having an incredible time! This event was a great way to celebrate the holidays and be a part of something that everyone has so much fun and work involved in. The float looked great and all the kids got to have a great time.

## WHO ARE KIWIN'S?

The 32nd District of Key Club International, KIWIN'S is located exclusively in CNH and is considered CNH Key Club's Sister District! KIWIN'S was established in 1974 in order to give females a chance to participate in community service (Key Club was still male-exclusive). Over time, both Key Club and KIWIN'S developed to include all genders, but KIWIN'S remained separate and was established as another branch of the Kiwanis Family. Today, they consist of 10 Divisions and over 50 clubs! While KIWIN'S shares many similarities with Key Club, they have also developed a unique culture and distinctive goals. As CNH Key Clubbers, we have the special opportunity to bond and make a difference through our relationship with KIWIN'S!
