GOVERNOR'S MESSAGE

Buzz buzz bad bees!

My name is **Justin Kuo**, and I serve the bee-utiful CNH District as their **District Governor** for the 2023-2024 term. Although I am a proud bee, at heart I am a **Division 44 North Purple Cow**, in which I previously served as their Lieutenant Governor! Some fun facts about me: I cannot go the week without getting Starbucks, I play an embarrassing amount of Roblox, and love anything seafood!

I cannot believe it has already been a month since District Convention 2023 and the term is already a month in progress! I am so honored to be able to serve you all as your District Governor as we continue to embark on this journey as leaders. This term, I know that with the **passion and unwavering dedication** of members like you that serve our amazing organization, we will find that we will go beyond **new horizons**.

There's no denying that the CNH District is dealing with a membership decline issue, so now more than ever we must tackle it head on. The CNH Executives and I have set a goal of **32,000 dues paid members** by the end of the term, and I know that with the hard work of you all this will be possible! Reach out to any of your friends and encourage them to join our Ohana, and with just **at least 3 more members for each club**, we can accomplish this!

Well that's all from me this month! Enjoy your summer vacations but remember that there is always still an opportunity to serve your community. Until later CNH!

Serving to **NEW** Horizons,

Justin Justin Kuo
District Governor

SECRETARY'S MESSAGE

ALOHA CNH DISTRICT!

My name is **Abigail Jensen**, and I proudly serve you all as your **District Secretary** for the 2023-2024 term! Previously I served as Lt. Governor of **Division 22 Makai** in Region 18, and I am a rising senior at Waiākea High School on the Big Island of Hawaii! My hobbies include playing trumpet in my school's band, swimming, playing video games, and spending time with my two cats, Primrose and Marceline!

Throughout this next year, I am looking forward to meeting new members across the district and working with you all to see **improvement!** With the rise of a new term, I hope to work with you all and support you the best that I can in order to help us all strive to new heights! I hope to **expand our resources** related to the Club Monthly Report Form and Annual Achievement Report to maximize how much progress we can make as a district!

With the help of each and every one of you, I believe that we will be able to reach our service hour goal for the 2023-2024 term, which is **400,000 service hours** by DCON 2024! Be sure to actively participate in service events, and serve at least 50 hours by the end of the term to be considered a **member in good standing!** Especially over the summer, with the additional free time, is a great time to get involved! We all can accomplish great things, and let us work hard to **reach our goals!**

Serving Across the Stars,

Abigail **Abigail Jensen**
District Secretary

TREASURER'S MESSAGE

What's BUZZIN' CNH!

My name is **Chloe Wu**, and I am **BEEyond** honored to serve as your **District Treasurer** for the 2023-2024 term. Last term, I proudly served as **Division 15 South's** Lieutenant Governor which is located in Region 13. As summer is approaching, the feelings of bittersweetness emerges as I count down towards the final days of my junior year at Eleanor Roosevelt High School. However, that also means more time for my hobbies! When I'm not immersed in Key Club, you can find me behind a shining computer screen hastily coding away or traversing the outdoors for a nice camping spot where I can be one with nature. On top of that, I love fawning over adorable animal pictures.

As we kick off into a new era, I challenge you all to be **trailblazers** and forge your own path this term. Though it may be daunting, I encourage you to dip your toes into the unfamiliarity of your community because I want to see your **growth** as an individual and a leader. Everyone's journey through Key Club is different, but the **magic of CNH** forever lies within you, so continue your long withstanding fervor for service because you make our district special.

I am ecstatic to announce that this term our **PTP/YES! Initiative** fundraising goal will be **\$200,000**, and we are striving to achieve **32,000 dues-paid members**. Together, I am confident that we will be able to accomplish these set goals, so let's work hard throughout the term and put our best foot forward. Additionally, be on the lookout for **innovative additions** to our district - video game tournaments and Instagram game filiters! This term is truly going to be one for the books, so relish the memories we make and continue to serve your communities with passion.

*Tying the **Knot of Service**,*

Chloe **Chloe Wu**

MAJOR EMPHASIS

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

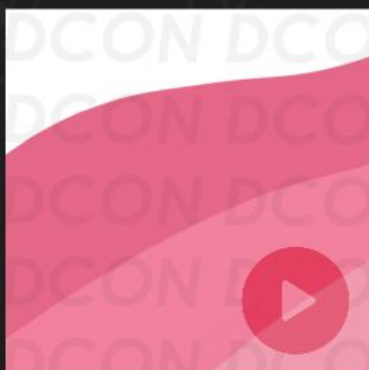

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

OF TERM BANQUETS

... and another one begins!

10N & 10S BANQUET

Emma Lee | Division 10 North,
Temple City High School

A Sky Full of Stars: A Shellebration of Service occurred on the 13th of May 2023. Sister divisions, Division 10 North and Division 10 South, celebrated the end of the 2022-23 term at the local Rosemead Community Center. Inspired by the song "A Sky Full of Stars" by Coldplay, the banquet featured navy blue tablecloths along with gold colored plates and utensils in order to match the set theme. Guests were served a variety of food along with drinks and desserts. In addition to that, awards from DCON were handed out to divisions, clubs, and members. Mason jars decorated with the names of the IP LTGs, current LTGs, and senior board members were lined up along a table with pens and paper for members to leave heartwarming notes. Posters from events throughout the term were displayed along the walls as another way to commemorate the year of service and smiles. To our graduating seniors, we wish you all the best of luck and hope that Key will always hold a special place in your heart. To all returning members and officers, we know that you will serve Division 10 well, and we look forward to seeing all that you will accomplish.

Thank you to everyone who submitted articles and visuals this month. If you want to see your division and home club featured in the District Newsletter, **BEE** sure to submit your articles and visuals for future issues!

ELEMENTARY CAMPUS CLEAN UP

Mya Pritts | Division 22
Komohana, Castle High School

On Saturday, April 1st, members of Castle Key Club gathered at Kaneohe Elementary School to help with the parking lot clean up or peace trail beautification on campus. The organizers of this project supplied everyone with tools to help with the beautification process. Members participated by picking up trash around the parking lot, street, and other pathways of the school. Members also raked leaves and other debris from the parking lot, and helped plant new plants in the elementary's garden. The project was a success, and it was good to work with the children and parents of Kaneohe Elementary to beautify the campus. At the end of the day, all volunteers received a complimentary meal, drink, and snacks.

DUCK SPLASH

Ariana Jovel | Division 3 South,
Hoover High School

Attending my first and last Duck Splash was so much fun! Most of Hoover's Board attended and volunteered, and we raised a lot of money at our booth! Being a part of this event for the first and last time was the greatest experience. Not only did I get to host a booth, but I got to participate in the duck race. I was also able to meet most of the Kiwanis Staff and got to meet amazing people from other clubs. Something I will never forget is the smile on the kids' faces when they won the grand prize at our booth. It was an amazing experience! and I would totally recommend going to the next Splash next term.

CACTUS MAKING WITH SENIORS

Yury Pastor | Division 37 East, Del Lago High School

At the Canyon Hills Home Care event, our club helped out with the senior citizens by creating an activity to do with them. The activity we decided to do was create a cactus using rocks and a small clay pot. This event was from 3-4:30 pm at Canyon Hills Home Care on Saturday 5/13. The seniors got to paint their rocks and later form the cactus by putting the painted rocks into the clay pot. Our club provided everything needed for the activity like the rocks, paint, paint brushes, etc. This event overall was a great success. Everything went smoothly with the senior citizens. You could tell they were enjoying the activity and having a blast getting to hang out with our club members. Our club did well when it came to helping the seniors paint the rocks or with the instructions on what to do. They also did a fantastic job creating examples of their own and explaining what to do in order to create the cactus. In the end the results were really nice. Some of the people at the home were really talented, as well as our members. Everyone had a blast and got to make a cactus of their own.
