BRRRR!

Happy December CNH! This time of year is definitely my favorite, as I get to see cheery Christmas decorations on houses, go ice skating with friends, and eat so many sweet treats. For my fellow seniors, we are finally done with college applications so I hope the rest of the year is a brrrr-eeze for you! For my non-seniors, **CTC season** is right around the corner, so start considering if you want to run for **higher office**, such as LTG or other positions!

Once school is out for winter break, I'm looking forward to a balance of making up service hours in various holiday events, cozying up with my heated blanket watching Christmas classics, and spending time with friends and family. The holidays are an **ample time to gain service hours**, whether in-person or asynchronous, so BEE sure to stay updated with your division for any service opportunities. The cutoff date for MRP is right around the corner, so stay active if you want to achieve bronze, silver, gold, or even platinum!

Fun fact: Last year for my December issue as a Division News Editor, I themed around gingerbread! This year, it is similar – themed around holiday desserts. With that being said, I hope you enjoy reading the rest of this issue!

WHAT'S POPPIN CNH!

I hope you all are having an amazing holiday season! I can't believe we have already made it to December together, that's $\frac{2}{3}$ **of the term already coming to a close!** I'm so excited to make the most of the time we have left.

One thing to look forward to in December is **Candidate Training Conference**. Be on the lookout for event details if you're interested in running or learning more about the position of Lt. Governor. In addition, now is the perfect time to get a **headstart** on your recognition submissions! Whether it be **MRP** or a **division/district judges award**, make sure you take a look at the requirements now so you can ensure you are prepared when the time comes to submit or qualify. Be sure to also participate in any local **holiday relating service events your club/divisions may be hosting!** From caroling for cans to volunteering at a Christmas event, there are plenty of service opportunities this time of year presents.

Well that's all from me! I hope you have an amazing holiday season and I'll see you in the new year!

DSEC MESSAGE

ALOHA CNH BEES!

Happy Holidays CNH! This chilly, charming season is one of my favorite times of year, and I hope you have a lovely time as well. It was absolutely stunning to see you all at the various **Fall Rallies** this year; your passion and energy were incredible to witness, and inspires me every single day!

With this being the last month of Quarter 3, now is a perfect chance to evaluate your personal goals in relation to your **Key Club journey**. As a senior, now is a time to start applying for **Key Club scholarships** with deadlines around the corner, and make the most out of your last few months of your final term. For underclassmen, you may want to consider **running for higher office**, whether that be at the club, division, or even district and international level! Look out for announcements about your division's **Candidate Training Conference** to learn more about the role of Lt. Governor, and ask your club board about positions that interest you. For everyone of all ages, it is also a great time to start working on **e-portfolio submissions** for division and district contests, as well as strive towards the **level of MRP** that you want to achieve!

Even though Fall Rallies and RTCs are over, service opportunities are still all around, and I challenge you all to take advantage of them! As of the November 5th Monthly Report Form submission, the CNH District has served a total of **184,494 service hours**, which is approximately **46.1%** of our goal of 400,000 service hours!

If you have any questions, comments, or concerns regarding club submissions or service hours, please feel free to ask me! Have a **delightful December** CNH Bees!

BUZZ BUZZ CNH!

I hope you all are staying **warm and cozy** this winter! Whether it's chatting around a fireplace, enjoying a cup of hot cocoa, or bundling up in blankets, I wish you the **jolliest time** with your loved ones. Personally, I can't wait to hit the slopes and snowboard!

With the peak of **dues season** wrapping up, I commend you all for putting in so much work to ensure that your clubs are **on-time dues paid**. Though it may have been a stressful time, we have done a wonderful job thus far so let's continue on our upward trend. Even if you aren't a dues paid member yet, you still can be! Make sure to reach out to your officers to become an **official member** because the opportunities are vast. If you plan on running for higher office, remember that it is a requirement to be dues paid.

Though Fall Rally may be over, there are still many more events to look forward to! **District Convention** may seem far away, but it is time to begin planning for it especially if you plan on fundraising. On the topic of DCON, there are a myriad of awards that you can apply to as well and get recognized for. From distinguished officer awards to member recognition, I highly recommend compiling all your information now when you have some off time!

Now, our fundraising efforts have been excellent thus far. We have raised a total of \$98,263.09/\$200,000 which is 49.13% of our goal. As the year comes to an end, I would like to say how thankful I am to serve you all, and I can't wait to see what the new year brings. Please do not hesitate to reach out if you have any questions, comments, or concerns!

What is Waddlin' CNH?! My name is Kaycee Marie Daez and I proudly serve the icy Division 19 North Pirate Penguins as their Lieutenant Governor! A secret fun fact is I have over 20 sonny angels in my room. Region 8 has become my comfort space and quite literally ATE! My region consists of five lieutenant governors and our awesome region advisor. From the very beginning, I have fallen in love with the connection that our region has with each other. From eating KBBQ together to planning regional events late in the night, they have been my rocks. Stressing out over training conferences, the amount of support that comes in is unbeatable. I would not trade them for anything as they are my one big happy family. Keep an eye out for our BURRMazing events and I look forward to seeing new members' faces in the near future! REGION 8 ROCKS!

What's Rolling CNH! My name is Katherine and I proudly serve as the Lieutenant Governor for Division 13 West Coast. I am a senior at Lincoln High School in Los Angeles, California. A little fun fact is that I still don't have my driver's license despite the fact that I've had it for a month. I serve as a Lieutenant Governor for Region 8 Aliens which consists of five Lieutenant Governors, a Region Advisor, a Trustee, and our lovely Region 8 Elsie. My region team has been a great family and I've truly made a connection with every Lieutenant Governor. From late-night calls to waking up early in the morning of dawn to get Starbucks, my region team for the week has been amazing. Since the region is spread apart, we plan more events together and we are all so close to each other. I look forward to plan more upcoming events with my region team and look forward to our next event in December!

WHAT'S STOMPING CNH?? My name is Abbi Ramos and I proudly serve the red-hot Ellies of Division 35 East as their Lieutenant Governor! A fun fact about me is that I have read 1 book every week in 2023! It's a very expensive hobby and my bookshelves are so full, I really need to invest in a Kindle. I feel so honored to have the privilege of serving as a Lt. Governor in Region 13! My region is filled with incredible and inspiring leaders who motivate me every day. R13 consists of 8 LTGs, 1 District Executive, 4 Committee Chairs, and one amazing region advisor! From the first time we all had dinner together to celebrate becoming LTG elects, I immediately knew that they would become my biggest support system. From bonding over calls to constantly texting one another we learned to navigate the complex tasks of leading our divisions together. Some of my best memories are from DCON and laughing with the entire region team over the walks back and forth from the hotel to the convention center. They have made my experience serving as LTG so memorable and wonderful. I've never felt alone, and whenever I feel overwhelmed, I know I can always count on my region team to offer advice and support. I could not ask for a better group of people to rely on and serve alongside, I can't wait for our next reunion at our CTC which I just know will be filled with laughter!

A fun fact about myself is that I lead a team that can read and spell the longest words in the dictionary. Our region is a humongous consisting of 8 LTGs, 1 District Executive, 4 chairs, and 1 executive advisor. Due to the proximity and size, we collaborate as often. However, one of my favorite things to do is it's one of my favorite things to be able to see members from all over the region socialize and gain inspiration. I would say our memories from participating in our Region Beach Club and Region Night Market. Even though I can't interact with my region, I still feel especially as we all have bonded with each other. I can't wait to look forward to working with my team ever.

Hey CNH! I am Katelyn Song and I serve Division 3 South as their LTG! I am so excited to say the wolves won spirit session 1 for Fall Rally South! I was **overjoyed** when we made it to the final round and even more when we won. **We may be small, but we are mighty!** I am so proud of my division and my spirit coordinators, Jevin and Samara. I would not have been able to make it through without them. I realized all our practice had paid off and **words cannot describe the feeling of that moment.** As soon as we were announced, tears rolled down my face and I saw my Division cheering their hearts out. I had stood in the theater for the **last two years watching my IPs**, and I can proudly say it was all **worth it.** Again, I am so thankful for my members, officers, and DLT. I wouldn't have made it this far if it wasn't for them. I love my wolf pack and I am proud to say that I am their mama wolf!

BALANCING KEY CLUB WORKSHOP AT DCON 2022

Last year I got the amazing opportunity to present at DCON and I will say it was a presentation to remember. It was an amazing and wonderful opportunity that gave me a chance to be out there and get to meet amazing key clubber's!

-Jackie Tomas, D37E Executive Assistant

At DCON 2022 I had a great experience of being a presenter! It was overall very enjoyable as I was able to do it alongside my friend Jackie, together we created our workshop, both educational and entertaining. The presentation itself was great as we got to educate passionate key clubbers who seemed very engaged throughout the presentation, participated in silly ice breakers and overall created endless new memories.

RUNNING FOR LTG

Candidates Training Conference (CTC) is your gateway to running for the position of lieutenant governor. Held annually in December, CTC provides aspiring candidates with **training, public speaking practice, candidacy preparation, and more!** This is your opportunity chance to learn from current Lieutenant Governors and **determine if this leadership role is the right fit for you.**

Intent to Run

To formally declare your candidacy, you must submit the **Intent to Run** form online no later than **two weeks** before Conclave. This form serves as your official announcement to the district, indicating your commitment to pursuing the role of Lieutenant Governor.

Service Agreement

To solidify your candidacy, you must submit a **Service Agreement** no later than **one week** before Conclave. This agreement signifies your commitment to fulfilling the responsibilities of the role. You must both **email a digital copy and send a physical copy** to the District Office. Ensure the physical copy is postmarked no later than one week prior to Conclave.

CONCLAVE PROCEDURES

Preparation and communication are **key to success** at Conclave. Arriving early and well-prepared is essential. When you arrive, be sure to meet with your Region Advisor and Lieutenant Governor to **familiarize yourself with the event's timetable** as well as any last-minute developments.

Depending on the number of candidates, you may be asked to deliver a speech at the **Nominating Conference** before advancing to give another speech at the **House of Delegates**. Alternatively, you might proceed directly to the House of Delegates. After each session, be **prepared for caucus**, where you will **answer questions from delegates**.

PREPARING FOR CONCLAVE

Literature

While optional, a literature is a front-and-back graphic that showcases your **unique qualifications, achievements, and goals**. Include a creative acronym that showcases your personality or aspirations.

Your literature is a **personal branding statement**, and it should **communicate why you are the best candidate** for the role as well as your personality.

Caucus

Caucus is the **questioning phase** that follows each speech you give (during the Nominating Conference or the House of Delegates). You will be asked to answer **questions about your candidacy**; a list of all the possible questions can be found on the CNH CyberKey. Caucus time may vary depending on the division.

Speech

Your speech is the **greatest opportunity** you will have to **present yourself as a leader**. Depending on the number of candidates, you may be asked to prepare **one or two speeches**. Your speech should communicate **why you are the best choice, using your goals and qualifications as evidence**.

Nominating Conference

The **Nominating Conference** is used to **narrow down the candidate pool** in the event that there are more than two candidates. It requires that you deliver a speech different and longer than the one you will use during the final round of voting (the House of Delegates).

LTG TESTIMONIALS

"Running for LTG is truly a life changing experience. I learned so much, just from the act of running, and it was truly worth it. Being able to serve as a Lt. Governor has opened so many doors for me and allowed me to meet so many people. I am so grateful for everything that has come with this position, and I highly encourage you to run!" - **D15W Lt. Governor, Chloe Wang**

🌟 ✨ 80SP October "unicef" ✨ 🌟

Skyline Key Club began its research before the month of October started. We understood that working with an organization like UNICEF might be difficult since the association requires various qualifications to be met. At first, working on the project was tedious because I often ran into barriers such as an age limit, and areas where volunteers were needed. So after I talked with the club president, we came up with the idea of developing our own service that would serve the purpose of UNICEF as well as integrate some of their asynchronous services ideas we found on the UNICEF for America website. Together, the service project had two parts. The first, had our members collect old books they no longer needed and receive service hours for the amount of time they spent working. The other, which was sponsored by UNICEF was to send letters to local and regional representatives to address issues focused on youth and human rights, especially within the United States. Once all of the basic logistics were evaluated, we asked our editor to make a post about the UNICEF project. From there the service went smoothly and most people decided to write letters over organizing old books. Moving forward, we will apply the information we learned to future services.

"Halloween Carnival"
Oakland | D02N | R09

We first found out about this service from one of the teachers at our school, who requested that we help volunteer at the event. The signup link was already set up so it was really easy to make the form to have our members sign up, overall very straightforward pre-planning. During the service, our members took control of many sections of the carnival, such as the inflatable games, haunted house, and prize stations. For me at least, it was a very busy shift that I had as the inflatable games were very popular but it went very well with the help of another person by my side. After participating in the games such as the one I ran, kids could win tickets that they could use to purchase things such as essential school supplies, candy, and other entertainment sources. This is in line with the goals of UNICEF as one of their goals is allowing children to reach their full potential throughout their adolescent years. With the help of this carnival and the opportunity to get those school supplies for cheap while also having fun in the process, kids will fulfill their full potential being in the right mental space, with the physical materials they need.

TALENT SHOW PREPARATION

**Claire Wu | Division 15 North,
Los Osos High School**

On October 28, 2023, Los Osos Key Club hosted their annual SpooKEY Talent Show! At this event, we raised money by hosting auctions and selling food to donate to the Pediatric Trauma Program (PTP). Over 15 members attended and we raised more than \$75 from just auctions alone. It was exciting seeing all the hard work of the officer board and Fundraising Committee pay off. The decorations from members were amazing for making the event look more Halloween themed. The performers were very talented in singing, art, and dancing. I was very impressed by the amazing talents of the performers. This was a great opportunity for members to interact with each other and form new friendships. Jeopardy, musical chairs, and food allowed attendees to form bonds with each other as well as have fun!

AIDS WALK

**Yulian Amador | Division 13
West, Lincoln High School**

On October 15th, Tigers assembled at West Hollywood for their annual Aids Walk. Small but mighty, Lincoln completed the two mile walk with time to spare! Lincoln joined forces with other schools and divisions to conquer the walk! Step by step, we repped our Burgundy and White. Having arrived early, we joined the crowds that swarmed stationed canopies - grabbing as many freebies as possible. To relax before and after the walk, we hung out at the playground for some much needed shade. Between the energetic music and welcoming people, Aids Walk was an event to remember!

Thank you to everyone who submitted articles and visuals this month. If you want to see your division and home club featured in the District Newsletter, **BEE sure to submit** your articles and visuals for future issues!

HOMECOMING FAIRE

Jayden Loeung |
Division 13 North,
Lakewood High School

On October 20th, Lakewood Key Club participated in Lakewood High School's school-wide homecoming faire. At Key Club's booth we sold spam musubi brulee and iced tea. The day before, the Lakewood Key Club board gathered at the secretary's house to work on the food and posters. The booth was cutely decorated with stars and posters of the key club mascot dressed up as iconic disney character Abu from Aladdin! All our hard work paid off since as soon as the faire started, business was booming as we quickly sold out of our spam! In order to gain more sales for iced tea, Historian Jayden Loeung and Service Committee member Miss Promsaka Na Sakolnakorn (Pressy) were running around advertising with one of our handmade posters. As you walk around the quad area, you can notice that other booths were doing just as well as ours. Yummy foods and fun games could be found all around from many different clubs and sports! The quad was filled with laughter and joy the whole time. As the faire was coming to an end, many last minute generous ticket donations were made to Key Club. Overall the faire was very upbeat and lively. Many fun memories were made and new bonds were forged!

FALL FESTIVAL

Nathan Matures |
Division 44 North,
Whitney High School

At the Fall Festival with D44S and D44W, Whitney Key Club was able to sell Spam Musubi to members all across the three 44 divisions. Along with this, we participated in a mini spirit session and battle to prepare us for FRN.

CARDS FOR CHILDREN

Abbie Richman | Division 4 West,
Huntington Beach High School

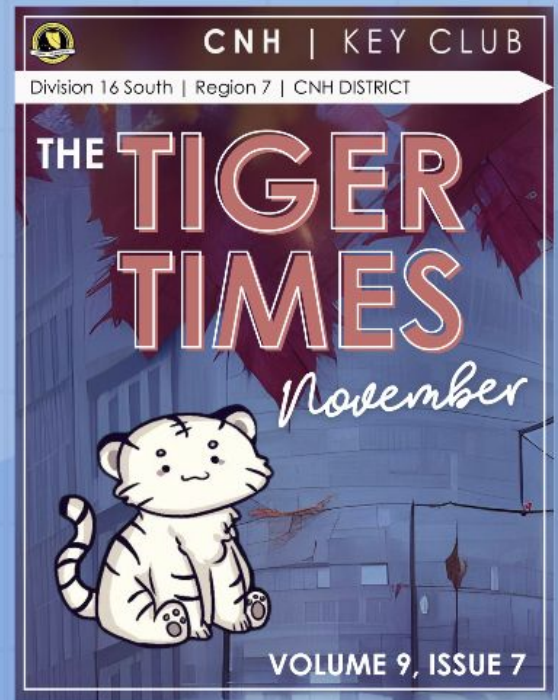

Huntington Beach Key Club along with our school's Red Cross and UNICEF Club, organized a card-making social and service activity. During this social/service event, members across all three clubs created cards for children's hospitals. Each was made with thoughtful messages and colorful drawings.
